

Expression of interest to setup a provincial airline (Air Limpopo) by entering into partnership with a consortium of specific aircraft owners/operators in a PPP model at Polokwane International Airport.

Background: GAAL is a state-owned company, under the custody of the Limpopo Department of Transport (LDoT). GAAL's mission is to provide world class airport facilities that will stimulate job creation, skills developments, trade and tourism within the region.

GAAL seeks to setup a provincial airline (Air Limpopo) by entering into partnership with a consortium of specific aircraft owners/operators in a PPP - Public Private Partnership model. We therefore invite interested owners/operators of CESSNA Grand Caravan EX registered in South Africa to express their interest to partner with GAAL for this operation.

These flight operations will be based in Polokwane International Airport as a hub, operating scheduled and chartered flights to other provincial airports within Limpopo, points of interest and various tourism destinations within and beyond the province. This provincial operation is aimed to enhance tourism while serving as a feeder network to domestic and international destinations.

Closing date: 14TH June 2019

GAAL reserves the right to select any Company that qualifies. The selected company will be vetted by the South African State Security.

Proposals from interested airline operators wishing to be considered should submit to: Mr Julius Ramatjie, Manager – Supply Chain Department, Gateway Airports Authority Limited, P.O. Box 1309, Polokwane, 0699 and / email scmgroup@gaal.co.za by 14th June 2019 before 11:00 am.

Enquiries may be made by contacting Mr Masodja Mkhabele on 015 288 0122/ 082 656 3622. Please contact GAAL Administration Office regarding more information on the project.
